Whenever possible, notice of such leave should be requested twenty-four (24) hours prior to the absence.

ARTICLE X. OTHER LEAVES

A. Leave of Absence

Members may be granted a personal leave of absence for up to six (6) months at the sole discretion of the Township Committee, if the leave does not cause undue operational disruption in the Police Department. The leave must include the use of any accrued vacation and sick leave time, regardless of the length of the leave requested. The portion of the leave that runs beyond the exhaustion of vacation and sick leave will be without pay.

Personal leave shall not be granted for the purpose of seeking or accepting employment with another employer, or for extended vacation time. Members on personal leave of absence for more than two (2) weeks in any month will not receive holiday pay, and will not accrue personal leave, sick leave or vacation time for that month. Health benefits may also be impacted. A personal leave is granted with the understanding that the member intends to return to work for the Township. If the member fails to return within five (5) business days after the expiration of the leave, the employee shall be considered to have resigned.

B. Family and Medical Leave Act

Members may be eligible for family and medical leave under either the federal Family and Medical Leave Act (FMLA), or the New Jersey Family Leave Act (FLA), or both. Eligible employees may receive up to twelve (12) weeks of leave per year FMLA or twelve (12) weeks every twenty-four (24) months FLA, for the reasons set out below.

In order to be eligible for such leave, members must have one (1) year of service with the Township and have at least one thousand (1,000) hours of work for FLA and one thousand two hundred fifty (1,250) hours of work for FMLA during the previous twelve (12) months.

Leave may be taken for any one of the following reasons:

- Birth of a child
- Placement of a child with the member by adoption or foster care
- To care for a spouse, child or parent (parent in-law for FLA only) with a serious health condition; or
- The member's own serious health condition (FMLA only)

A "serious health condition" is defined as (a) an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility, including any period of incapacity or any subsequent treatment in connection with such inpatient care; or (b) continuing treatment by a health care provider.

For purposes of this policy, a child is defined as a natural, adopted, or foster child, a stepchild or a legal ward. If the child is over eighteen (18) years of age, he or she must be unable to care for him / herself due to a serious illness. A parent is defined as the member's or his or her spouse's natural, adoptive or foster parent, stepparent or legal guardian.

Members who wish to take a family leave must submit their request in writing to the Township Clerk thirty (30) days in advance of the beginning of the leave (fifteen (15) days for a leave for your own or your family member's serious health condition), except in emergency conditions. To assist us in arranging work assignments during your absence, we ask that you give us prior notice, to the extent possible, of an expected birth or adoption, as well as an indication, to the extent known, of your expected return date. To facilitate your return to work, we also ask that you provide us with two weeks advance notification of your intended return date. Failure to do so may delay your return date.

As part of your application for leave, you will be required to complete and submit to the Township Clerk all required forms. The Township Clerk will guide you through the application process and the forms you will need to complete and submit. If the leave is due to your own serious health condition, or that of a family member, you will be required to provide a "Certification of Health Care Provider" form. Failure to provide the necessary forms within seven (7) days prior to the leave may result in a denial or delay of the leave. Where leave is taken on an

emergency basis, employees must submit the forms to the Township Clerk within fifteen (15) days from the last day worked.

If your leave is for your own serious health condition, you may be requested to have a second opinion medical examination, which will be paid for by the Township. If the opinion of your health care provider and the second opinion are in disagreement, you may be required to have a third, neutral opinion medical examination, also paid for by the Township. The third examination decision will be final. Upon your readiness to return to work, you will be required to provide a certification from your health care provider attesting to your fitness to return to work before you will be allowed to return. The Township may also request that you be cleared for work by a Township selected doctor. During your leave, you will be required to provide medical certification of your condition every thirty (30) days, and you will be required to report periodically on your continuing intent to return to work at the end of your leave.

The following will automatically be substituted for family and medical leave and count against your total family and medical leave entitlement:

- Unused annual vacation and personal leave
- Disability leave for which you are eligible, including wage continuation, short and long-term disability, and / or workers' compensation, as a result of your own serious health condition that satisfies FMLA leave requirements.

You will receive seniority credit for the time that you have been on leave under this section. Other employment benefits, including earned and accrued time off, shall be preserved at the level accrued as of commencement of the leave, but shall not accrue further during any such leave period in excess of thirty (30) days. You will, of course, retain any benefits you had earned prior to the beginning of your leave.

Your coverage under the Township's group health insurance plan will continue during your leave of absence under this section on the same conditions as coverage would have been provided had you been employed continuously during the entire leave.

Members may be eligible under certain circumstances for either reduced or intermittent leave, which involves taking less time off and continuing to work some of the time during your leave. If such leave is taken, the employee may be transferred to another similar position during the time of the leave. Speak to the Township Clerk for further clarification of this alternate type of leave and try to work out a schedule which is best for everyone concerned. Please note

however, that given the small size of the department, this type of alternate work may not be possible.

Certain highly compensated members may not be eligible to take family leave or may not be reinstated to work when they are ready to return to work. Employees who fit into this category will be so advised at the time they request leave and their options will be explained to them.

A family care leave that is related to the birth or adoption of a child must be completed within twelve (12) months of the birth or adoption.

Upon return from a leave, you will be reinstated to your original or an equivalent position, with equivalent pay, benefits and other terms of employment. If, due to your own medical circumstances, you are no longer able to perform your original job, the Township will attempt to make a reasonable accommodation for your limitations with regard to your job duties, including a transfer to alternate suitable work, if available. The Township will require medical documentation from your health care provider indicating the nature and extent of your limitations with regard to your job duties. The Township may also require a second opinion medical examination, which will be paid for by the Township.

Members who must remain away from work for more than the period of time allowed for family and medical leave will be considered terminated from employment. Members are welcome to re-apply subject to the Township's usual hiring policies.

C. Military Leave Policy
